## TDChristian Intra-Mural Hockey League (TDCHIHL) 2011-12

Welcome back to TDChristian and another year of ice hockey; we are looking forward to a great year with all of you! This has been an exciting tradition and we've seen a lot of talent and had a lot of fun over the years. Hockey is a popular sport at TDChristian, and we are blessed to be able to offer a comprehensive program; this year again the program will include 6 teams, including both girls and guys from grades 9-12. We have enough spaces to accommodate all students who wish to play. There will also be at least one teacher on each team— both to guarantee fun and safe games, and because we love the game too!

The games will be played on Fridays either before school from 7:00-8:00 a.m., or after school from 3:30-4:30p.m. *Note that on Project Days we will play 2 morning games.* The games will be played either at the Al Palladini Arena on the corner of Islington Ave. and Rutherford Road in Woodbridge (morning games), or at the Woodbridge Arena on the corner of Islington Ave. and Highway 7 in Woodbridge (afternoon games). **It is important that you refer to the schedule and arrive on time at the proper place for your games.** Please check your schedule to see when you play; no refunds will be given for missed games or mix-ups.

A team **may not** use players from the other teams to fill vacancies— teams play with who they have so it's important that you try to make each game. Goalies may, however, call up one of the other goalies during the regular season if they cannot be there; we want to avoid any games without goalies. Attached please find the team lists and the schedule of when each team plays. A copy will also hang on the “hockey shrine” in Mr. Terpstra's room (Room 15) All games begin on time, so please be early enough to dress, warm-up, and be ready to start. You are responsible for arranging your own rides to and from the arena. Students are required to be at school by 8:45 a.m. after the morning game—the school's late policy will apply.

As in the past, you are required and expected to wear full equipment. You must wear a **neck guard** and a **full visor or cage**. Any player not properly equipped will be asked to leave the ice and may only return when wearing all required equipment. There will be no “red line.” This is also a non-body-checking league, and the rule is to leave less-skilled, unwilling, and teacher-types alone. This is fun, yet competitive hockey with your peers. We see no reason for fighting or violent contact between players; any fighting will result in immediate removal from the game and expulsion from the league for the rest of the season. We believe that a higher standard of behaviour is expected for hockey at TDChristian, and any belligerence, foul talk or swearing, unnecessary contact, or unsportsmanlike conduct will result in immediate expulsion from the game, and will initiate a discipline meeting with the Leadership team, consisting of the Staff members in the league in consultation with the Grade 12 leadership students. We will try our best to ensure that each game will be refed by a parent Mark Giancola, or by TD grade Andrea Kotys, and their calls will be respected (even if not agreed to). The coaches of each team will be the staff member(s) and the appointed players on each team. Teams are encouraged to meet off-ice, develop unity, and hype their prowess throughout the school.

Although many staff members love hockey and are players on all 6 teams, Mr. Terpstra and Mr. E. Vrieling will be the staff members 'in charge.' Please direct all fees, questions and concerns to Mr. Terpstra. The **\$155.00** fee includes payment for all of your games, the final playoff/tournament, as well as a stylish TDCH team jersey, which is yours to keep. This is an incredible deal! Make cheques out to “TDChristian High School.” Each of you must submit the entire amount **one full day** before you step on the ice for the first time— *No pay? No play!*

We wish you all a great season! Skate well and prosper. Oh, and have fun!

Mr. Terpstra and Mr. E. Vrieling
