Dear

The art by grade 9 students Allie Tenyenhuis (right) and Julia Jackson reminds us that **TDChristian is focused on learning!**

Despite the pandemic, we continue to offer life-shaping Christian education. This year, we have had students at home and at school. We have used technology to bring them together: cameras, Edsby, and Zoom. TDChristian students and staff have persevered and, though we have dealt with difficulties, **we remain firmly anchored on the Rock: our gracious God provides us with what we need.** We see growth in our students, daily.

The expanded building is a blessing. Take the virtual tour found at [tdchristian.ca/virtual](http://tdchristian.ca/virtual). To see more about our students, and what they are doing at TDChristian, visit our YouTube channel TDCHWoodbridge. **Yesterday, we posted our Grandparents Day Assembly.** In it we share some of the wonderful learning. There is much for which to be grateful; we are!

Thank you for being part of our community and for your prayers and gifts of time and money. As we end the 2020-21 school year, we ask for your active participation. At this time, we highlight a few areas: tuition assistance, reducing our mortgage of \$4.4 million, and supporting the technologies needed to offer stellar remote learning for our 393 students. We anticipate being over 400 for 2021-22. **We invite you to contribute to TDChristian as we guide and support students to learn for service in the light of God's Word!**

Please fill out the bottom portion and return this letter along with a cheque made out to TDChristian or donate online at [tdchristian.ca/giving](http://tdchristian.ca/giving).
